No one medicine can cure in all cases, our works show more real proof of the virtue of Ambrosial Oil in its healing properties, from responsible mea, who are above being bought, than can be produced for any other We do not assert a cure for every malady to which the human family are subject, but what we proclaim we can substantiate by living witnesses. The Ambrosial Oil is a Nashville preparation, and sold throughout the South and Southwest by all good druggists and general dealers. The South may be justly prood that Dr. Clark, a native Tennesseean, after much labor and research, has produced a really worthy medicine, which is bound to drive out much of the worthless imported trash with which the country is flooded.

Please call at our office, where we will take pleasure in showing letters and testimonials too numerous to set forth in the form of an advertisement, some of which come from physicians in high standing, who are using it in their practice, as they state, with marvelous effects. We challenge the world to produce a reimody so speedy and effectual in its healing properties.
